Financially, COVID-19 has been a very significant  blow. Our conventions remain classed by the Government under the 2sqm rule. This means our capacity at conventions is more than halved. Normally, KCC can fit up to 2,150 people in our auditorium. Under the 2sqm rule we can only fit 700. This means that we are unable to cover the fixed costs of holding an in-person event.

By honouring our request for livestream registration, you help enable KCC to keep valuable Christian ministry happening and help us keep it intact for 2022 and beyond.

Purchasing an individual ticket also enables KCC to cover the costs of providing the livestream itself.

### ***What is the best ticket option for me?***

*Individual:* If you are not part of a group and plan on watching by yourself, the individual ticket is best for you. For example, if there are three people watching in your home, you would purchase 3 individual tickets.

*Group Host:* If you are purchasing tickets for your group, you will need to purchase a host ticket for yourself and any leaders, plus ensure the rest of your group have purchased individual tickets (or that you have purchased these for them). For example, if you have 2 leaders and 20 people attending, you would purchase 2 host tickets and 20 individual tickets. Purchasing a group host ticket will just help us send you the right information and resources to help you organise the day!
