

BASECAMP

Group Leader Checklist

To give you some ideas of how you can serve your church as a Group Leader, we've put together a checklist that you can follow throughout the year.

1 August 2023

- Look at the calendar for the year ahead to decide which BASECAMP event will be suitable for your church group.
- Liaise with church staff and save the date in the church calendar.
- Download our promotional resources for group leaders from our website.
- Email group members/past attendees with a 'save the date'.
- If you know what BASECAMP event your group will attend and a rough idea of numbers, book some tickets at the cheap pre-launch registration rate onsite at BASECAMP.

2 December 2023

- BASECAMP email sent, read and note early bird registration and accommodation booking opening date and any other important information.

3 January 2024

- Begin to look at accommodation options (Mountains) and how many men could attend from your church group.

4 April 2024

- Mark the dates of when ticket prices will change. Make sure you book early to save.
- Promote BASECAMP in your church and small groups using the resources provided by KCC. Here are some ideas to do this:
 - Put up an advertising poster on the church noticeboard.
 - Make an announcement at your church or men's group using the images and video provided by KCC.
 - Invite men via the KCC BASECAMP Facebook event (accessed via our Facebook page).
 - Post some advertising images provided by KCC on your church's social media accounts.
 - Encourage men to listen to 2023 talks via the KCC App.
 - Include flyers and a note about BASECAMP in the church bulletin.
- Create a group for online registrations and allocate yourself as the group manager. This can be done through the online registration process and will provide you with a registration link and passcode that men can use which will automatically add them to your group. You're able to login as a group manager to see who has registered and follow up men to join.
- Book accommodation if you're attending the Mountains event.
