Online Group Leader Checklist

To give you some ideas of how you can serve your church as a Group Leader, we've put together a checklist that you can follow throughout the year.

1 August 2023

- Look at the calendar for the year ahead to decide which BASECAMP event will be suitable for your church group.
- Liaise with church staff and save the date in the church calendar.
- Download our promotional resources for group leaders from our website.
- Email group members/past attendees with a 'save the date'.
- If you know what BASECAMP event your group will attend and a rough idea of numbers, book some tickets at the cheap pre-launch registration rate.

2 December 2023

- BASECAMP email sent. Read and note registration information & important deadlines.

3 April 2024

- Download promotional resources for group leaders from our website.
- Promote BASECAMP in your church and small groups using the resources provided by KCC.

Here are some ideas to do this:

- Put up an advertising poster on the church noticeboard.
- Make an announcement at your church or men's group using the images and video provided by KCC.
- Invite men via the KCC BASECAMP Facebook event (accessed via our Facebook page).
- Post some advertising images provided by KCC on your church's social media accounts.
- Encourage men to listen to 2023 talks via the KCC App.
- Include flyers and a note about BASECAMP in the church bulletin.
- Create a group for online registrations and allocate yourself as the group manager. This can be done through the online registration process and will provide you with a registration link and passcode that men can use which will automatically add them to your group. You're able to login as a group manager to see who has registered and follow up men to join.
